WANT ADS BRING BIG RESULTS.

## Today's Best Munnigrams

Somebody Wants What You Can Spare. And that "Somebody" Can Spare What You Want.  
Both Sides Benefit by the Deal. It is NOT Only the SELLER That  
Benefits, but the BUYER as Well.

## Cheaper, and Quicker, and Better Than Circulars

BY MR. MUNNIMAKER

The Famous Profit-Wizard of the Standard Classified Advertising  
Columns.

Mr. Munnimaker, the famous Profit-Wizard of the STAND-  
ARD, had an interesting conversation yesterday with a local mer-  
chant, so interesting that it is certainly well worth reporting. It  
contained a lesson and an idea which cannot fail to be helpful to  
every individual and business man who has anything to sell, or  
who wishes to keep in close and constant touch with his custom-  
ers.

When Mr. Munnimaker entered the merchant's office, a num-  
ber of clerks were addressing and mailing circulars.

"I am sending out today a bulletin of specials to my custom-  
ers," said the merchant. "I feel it is necessary to keep in touch  
with them, and the only way I can think of is to send them a com-  
munication once in a while, by mail, to remind them that I am  
still in business, and perhaps to give them the opportunity to take  
some special offer that I frame up."

"I can't see the wisdom in that," said Mr. Munnimaker. "Why pay to  
print and handle, and to address and mail, a large edition of bulletins  
to your customers, when you can send the whole thing to ten times as many  
people—in fact, to all who are your customers, and to all who ought to be  
your customers—through the classi-  
fied columns of the Standard."

"Instead of bothering with printer's  
proofs, paper, selecting lists of names,  
addressing, folding, mailing and post-  
age stamps, all you have to do is to  
write your message once, send it over  
to the Standard, get one proof of your  
advertisement, and then without any  
further trouble or bother, your circular  
is printed at once and placed in the  
hands of 10,000 people."

"And all this at a cost of only a few  
cents—hardly more than it would cost  
you to mail ten or twenty circulars.  
What is more, you don't have the  
bother and uncertainty of making up  
a list of people who are your custom-  
ers, and people who might be your  
customers. Your letter or circular,  
printed in the classified columns of  
the Standard, goes to every reader  
of the Standard. It is true that some  
readers may not see it the first time,  
but if you make your message inter-  
esting every day, they will quickly  
learn that you have something vital  
and interesting and important to say  
to them, and they will get the habit

BUSINESS CHANCES

A MAN with good rustling abilities,
